

School Science Award

Level 5

The Head Teacher has sent a note to teachers about how to choose the right children for the Science Award. Read the note and highlight the words with **a_e**, **e_e**, **i_e**, **o_e** or **u_e**.

The sound that is used the most will reveal the last name of the winner.

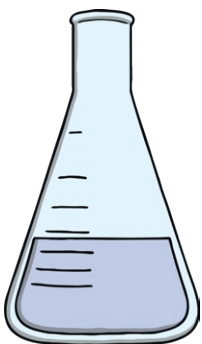

Dear Teachers,

Can you select two people in your class who should win the prize? Be careful who you select! Make sure they are the hardest workers and have made a lot of effort this year.

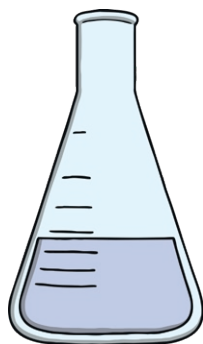

Put the names of the two children you would like to win the prize on the lime green form. We will then send a note home to parents to invite them. Please use a fine black pen to fill in the form.

Thank you,

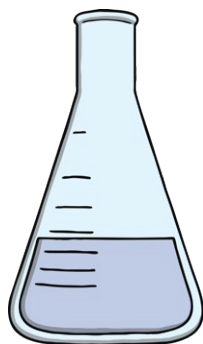

Mrs West.

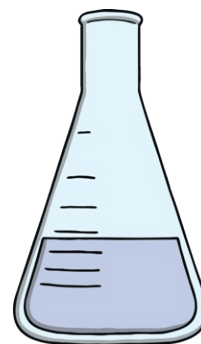

a_e Baker

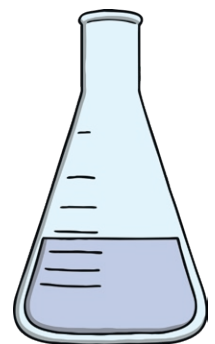

e_e Stevens

i_e Rider

o_e Cole

u_e Mune

The winner is _____
