HEADTEACHER END OF TERM MESSAGE

Dear Kingswood Families,

As the academic year comes to an end, I would like to take this opportunity to reflect on what has been a rewarding and eventful year at Kingswood Primary School.

Firstly, I want to thank you for your continued support. This year has been filled with achievements, including a fabulous Key Stage 2 performance, prize winning efforts at cross-country, the introduction of a new phonics scheme and the creation of a new library. Our pupils have embraced our new values of Kindness, Perseverance and Success, and consistently show a real love for learning.

I am incredibly proud of how our Year 6 pupils have conducted themselves throughout the year. They leave us as confident, capable young people ready for the challenges of secondary school. We will miss them greatly and wish them every success in the next stage of their journey.

I would also like to express my gratitude to our dedicated staff team, who work tirelessly to ensure the best outcomes for your children. Their passion, care, and commitment are at the heart of everything we do.

Looking ahead, we are excited about the new academic year. We have some wonderful plans in place and look forward to welcoming our returning pupils — and new families — in September.

I wish you all a safe, restful, and happy summer holiday.
